

How to Vote in Wyoming

Voters with disabilities, get ready and vote in the General Election on or before November 3, 2020, with this voter guide, prepared by AAPD's REV UP.

1. Registering to Vote

- **How can I register to vote?** Wyoming does not have online registration. However, you can register to vote in person at your [county clerk's office](#). You can also register by mail by downloading and mailing [this form](#). If you have already registered, you can double-check your voter registration status at [vote.org](#).
- **When do I need to register?** Make sure to register by mail by October 19, or you can register in person at your [county clerk's office](#) by Nov 2, 2020. You can register in-person at polling place or vote center locations on Election Day.
- **Do I need an ID?** You will likely need to have a Wyoming address and driver's license or state ID. [Click here](#) to learn more about acceptable forms of ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are at least 18 years old have the right to vote. Your vote matters and is protected by laws to ensure voting is accessible, independent, and private. If you have a guardian, you can still vote, unless a judge says you cannot vote. Contact your local [Protection and Advocacy agency](#) for help understanding or restoring your vote.

2. Learning about the Issues

- **What people or laws can I vote for?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#) to find out what is on your ballot. Learn about policy changes on the ballot, called "ballot measures," on Wyoming's election website.

3. Voting in Person

- **Where do I need to go to vote?** Find your polling place with this [online portal](#).
- **When can I vote?** You can complete an absentee ballot in-person at your county clerk's office between September 18 and November 2 and avoid lines on election day!
- **Can I vote from a car if the polling place is inaccessible?** It depends. Contact your [County Clerk](#) to ask if they allow voters with disabilities to request a ballot from a car, if a polling place is inaccessible.
- **What if I want assistance with my ballot?** You may choose someone (except your boss, union agent, or a candidate) to assist you in marking your ballot.
- **Do I need an ID?** No, you do not need to bring any ID to your polling place.

4. Voting by Mail

- **Can I vote by mail?** Any Wyoming voter can request an absentee without an excuse.
- **How do I request a mail ballot?** You must request an absentee ballot from your [County Clerk](#) by phone, email, or in-person by providing your name, date of birth, Wyoming address, mailing address, which elections you are requesting a ballot for, and a statement that you are eligible to vote. You can also print and mail the [absentee ballot application](#) to your [County Clerk](#).
- **When do I need to request my ballot?** The last day to request an absentee ballot is November 2. Request your ballot as soon as possible to make sure that your ballot is received on time! Wyoming's Secretary of State estimates that mail delivery within a county will take up to 7 days. Absentee voting begins 40 days prior the election (45 days for military or overseas voters) and ends the day before the election.
- **How do I fill out my ballot?** Wyoming does not have an electronic absentee ballot available for voters with disabilities, so you must complete a paper ballot. You will need to sign the ballot or envelope when prompted. If receiving assistance, the person assisting you may need to sign an affidavit on the ballot.
- **What if I want assistance with my ballot?** You may choose someone (except your boss, union agent, or a candidate) to assist you in marking your ballot. Someone assisting you may need to complete an affidavit to be returned with the paper ballot.

- **How do I return my ballot?** You must return your absentee ballot by delivering it in-person or mailing it to your [County Clerk's](#) office (which may take up to 7 days or longer). Your ballot must be received by 7pm on November 3, so request your ballot as soon as possible if you plan to vote by mail!
- **Do I need an ID?** No, you do not need an ID when voting by mail.
- **Can I track my ballot?** Contact your County Clerk for info on the status of your absentee ballot.
