

HOW TO VOTE IN MINNESOTA

A Quick Guide for People with Disabilities Voting in the 2022 General Election on or Before November 8, 2022.

REGISTERING TO VOTE

- **How can I register to vote?** You can register:
 - If you have already registered, you can check if you are registered to vote at vote411.org.
 - Online at Minnesota's [Online Voter Registration Website](#).
 - By downloading and mailing the Minnesota [mail in registration form](#).
- **When do I need to register?** Be sure to register to vote on or before October 18, 2022, or register to vote in person on Election Day.
- **Do I need identification (ID) to register?** You will need to have a Minnesota address and Minnesota state ID card or driver's license. You can use your social security number if you don't have a state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private. If you have a guardian, you can still vote, unless a judge said you cannot vote. For help understanding or getting back your right to vote, contact your local [Protection and Advocacy Agency \(P&A\)](#).
- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Learn about

voting rights for people who have [gone to jail or prison](#). You can also [contact your local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a ballot?** A ballot is a list of who and what you can vote for. Your ballot will list candidates who are running for different offices, such as Senator or Representative. You vote by marking your choice on the ballot.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. You can learn about ballot measures on the Minnesota [election website](#).
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Minnesota election website. [Find your polling place](#).
- **Can I vote before Election Day?** Any voter may vote early in person before Election Day during a period that Minnesota calls the "In-Person Absentee Voting Period." You can vote between August 23, 2022 and November 7, 2022 and avoid lines at the polls on Election Day! [What is In-Person Absentee Voting?](#)
- **Can I vote outside if the polling place is inaccessible?** Yes, Minnesota does allow voters to vote outside the polling place if it is inaccessible. This is called curbside voting.

- **What if I want help with filling out my ballot?** You may choose someone to help you vote. Your helper cannot be a candidate or your boss. If you are part of a labor union at work, the person who helps you vote cannot be a representative of that labor union. [What is a labor union?](#) You may also ask for help from poll workers at the polling place.
- **Do I need an ID?** Minnesota does not require voters to show ID to vote in person, unless you are voting for the first time or haven't voted in 4 years. [Learn about voter ID.](#)

VOTING BY MAIL

- **Can I vote by mail?** Any voter in Minnesota can vote by mail. This is called absentee voting. [What is absentee voting?](#)
- **How do I request a mail ballot?** You must request your ballot from your local elections office by mail, fax, or email. [Request your ballot.](#)
- **Can I get an electronic absentee ballot?** Minnesota allows voters with disabilities to request an electronic ballot as an ADA accommodation. Voters must request this ballot from the county auditor's office after applying for a regular absentee ballot. Voters can mark this ballot electronically, print it, and return it. [Learn about requesting an electronic ballot.](#)
- **When do I need to request my ballot?** The last day to request your ballot is November 7, 2022. Request your ballot as soon as possible to make sure that you receive your ballot on time.
- **Do I need to sign my ballot?** Be sure to sign your ballot or envelope when asked, since Minnesota requires this signature to match one of your past signatures. You must also have a witness sign your ballot or envelope when asked.
- **What if I want help with filling out my ballot?** You should be allowed to choose someone to help you with filling out your ballot. Someone

helping you may need to complete a statement called an affidavit to be returned with the ballot. [What is an affidavit?](#)

- **How do I return my ballot?** You can return your ballot by mail or deliver it to the local election office. If you are returning your ballot by mail, it must be received by election officials by November 8, 2022. If you are returning your ballot in person, you must return it no later than 3 p.m. on November 8, 2022.
- **Can someone return my ballot for me?** Yes, you can choose to have someone return your ballot for you. That person can return ballots for up to three other people. They will need to show ID with their name and signature when they return the ballot.
- **Do I need an ID to vote by mail?** You will need to include a Minnesota ID when applying to vote by mail. You do not need to include a copy of your ID when returning your mail ballot.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the elections office has received it. You can do this on the Minnesota election website. [Track your ballot.](#)
