

HOW TO VOTE IN WISCONSIN

A Quick Guide for People with Disabilities Voting in the 2022 General Election on or Before November 8, 2022.

REGISTERING TO VOTE

- **How can I register to vote?** You can register:
 - If you have already registered, you can check if you are registered to vote at vote411.org.
 - Online at Wisconsin's [Online Voter Registration Website](#).
 - By downloading and mailing the Wisconsin [mail in registration form](#).
- **When do I need to register?** Be sure to register to vote on or before October 19, 2022, or register to vote in person on Election Day.
- **Do I need identification (ID) to register?** You will need to have a Wisconsin address and Wisconsin state ID card or driver's license. You can use your social security number if you don't have a state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private. If you have a guardian, you likely are not allowed to vote, unless a judge says otherwise, but you may be able to get your right to vote back. For help understanding or getting back your right to vote, contact your local [Protection and Advocacy Agency \(P&A\)](#).

- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Learn about voting rights for people who have [gone to jail or prison](#). You can also [contact your local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a ballot?** A ballot is a list of who and what you can vote for. Your ballot will list candidates who are running for different offices, such as Senator or Representative. You vote by marking your choice on the ballot.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. You can learn about ballot measures on the Wisconsin [election website](#).
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Wisconsin election website. [Find your polling place](#).
- **Can I vote before Election Day?** Wisconsin allows any voter to vote in person before Election Day during a period called the "In-Person Absentee Voting period." This early voting period is set by the polling place, but starts no earlier than October 25, 2022 and ends no later than November 6, 2022. Contact the local election office for more information. [What is In-Person Absentee Voting?](#)

- **Can I vote outside if the polling place is inaccessible?** Yes, Wisconsin does allow voters to vote outside the polling place if it is inaccessible. This is called curbside voting.
- **What if I want help with filling out my ballot?** You may choose someone to help you vote. Your helper cannot be a candidate or your boss. If you are part of a labor union at work, the person who helps you vote cannot be a representative of that labor union. [What is a labor union?](#) You may also ask for help from poll workers at the polling place.
- **Do I need an ID?** Wisconsin requires voters to show photo ID to vote in person. [Learn about voter ID.](#)

VOTING BY MAIL

- **Can I vote by mail?** Any voter in Wisconsin can vote by mail. This is called absentee voting. [What is absentee voting?](#)
- **How do I request a mail ballot?** You must apply for an absentee ballot online, by mail, email, or fax. [Request your ballot.](#)
- **Can I get an electronic absentee ballot?** Wisconsin does not have an electronic absentee ballot available for voters with disabilities, so you must vote on a paper ballot.
- **When do I need to request my ballot?** The last day to request an absentee ballot is November 3, 2022. Request your ballot as soon as possible to make sure you receive your ballot on time.
- **Do I need to sign my ballot?** Be sure to sign your ballot or envelope when asked, since Wisconsin requires this signature to match one of your past signatures. You must also have a witness sign your ballot.
- **What if I want help with filling out my ballot?** You should be allowed to choose someone to help you with filling out your ballot. Someone helping you may need to complete a statement called an affidavit to be returned with the paper ballot. [What is an affidavit?](#) They can also sign your ballot as a witness.

- **How do I return my ballot?** You can return your ballot by mail or in person. Your ballot must be received by election officials by 8 p.m. on November 8, 2022.
