**A Quick Guide for People with Disabilities Voting in the 2022 General Election on or Before November 8, 2022.**

## REGISTERING TO VOTE

- **How can I register to vote?** You can register:
  - If you have already registered, you can check if you are registered to vote at [vote411.org](https://vote411.org).
  - Online at Florida's [Online Voter Registration Website](#).
  - By downloading and mailing the Florida [mail in registration form](#).
- **When do I need to register?** Be sure to register to vote on or before October 11, 2022. Florida does not allow people to register after this date or on Election Day for this election.
- **Do I need identification (ID) to register?** You will need to have a Florida address and Florida state ID card or driver's license. You can use your social security number if you don't have a state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private. If you have a guardian, you can still vote, unless a judge said you cannot vote. For help understanding or getting back your right to vote, contact your local [Protection and Advocacy Agency \(P&A\)](#).
- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Learn about

voting rights for people who have [gone to jail or prison](#). You can also [contact your local P&A](#).

## LEARNING ABOUT THE ISSUES

- **What is a ballot?** A ballot is a list of who and what you can vote for. Your ballot will list candidates who are running for different offices, such as Senator or Representative. You vote by marking your choice on the ballot.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. You can learn about ballot measures on the Florida [election website](#).
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

## VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Florida election website. [Find your polling place](#).
- **Can I vote before Election Day?** Florida allows any voter to vote in person before Election Day during the Early Voting period. You can vote between October 29, 2022 and November 5, 2022 and avoid lines on Election Day! Some election offices may offer extra early voting dates. Contact the local elections office to learn about your polling place's early voting dates.
- **Can I vote outside if the polling place is inaccessible?** No, Florida does not allow voters to vote outside the polling place if it is inaccessible.

- **What if I want help with filling out my ballot?** You may choose someone to help you vote. Your helper cannot be a candidate or your boss. If you are part of a labor union at work, the person who helps you vote cannot be a representative of that labor union. [What is a labor union?](#) You may also ask for help from poll workers at the polling place. You will have to fill out a form that says that you need help unless you wrote on your voter registration application that you would need help at the polls. The clerk can help you fill out the form. The person you choose to help you will have to fill out a form as well.
- **Do I need an ID?** Florida requires voters to show photo ID with signature to vote in person. If your photo ID doesn't have a signature, you will be asked to include another ID with your signature. [Learn about voter ID.](#)

## VOTING BY MAIL

- **Can I vote by mail?** Any voter in Florida can vote by mail.
- **How do I request a mail ballot?** You must request your ballot from the local Supervisor of Elections in person, by phone, or by mail, fax, or email. [Request your ballot.](#)
- **Can I get an electronic vote by mail ballot?** All counties in Florida allow voters with disabilities to request an accessible remote ballot that they can fill out electronically, print, and return. Contact your local election office for more information. [Learn about requesting an electronic ballot.](#)
- **When do I need to request my ballot?** The last day to request a mail ballot is October 29, 2022. Request your ballot as soon as possible to make sure that you receive your ballot on time.
- **Do I need to sign my ballot?** Be sure to sign your ballot or envelope when asked, since Florida requires this signature to match one of your past signatures.

- **What if I want help with filling out my ballot?** You should be allowed to choose someone to help you with filling out your ballot. Someone helping you may need to complete a statement, called an affidavit, to be returned with the ballot. [What is an affidavit?](#)
