

HOW TO VOTE IN NEVADA

A Quick Guide for People with Disabilities Voting in the 2022 General Election on or Before November 8, 2022.

REGISTERING TO VOTE

- **How can I register to vote?** You can register:
 - If you have already registered, you can check if you are registered to vote at vote411.org.
 - Online at Nevada's [Online Voter Registration Website](#).
 - By downloading and mailing the Nevada [mail in registration form](#).
- **When do I need to register?** Be sure to register to vote by online registration on or before November 3, 2022, or register to vote by mail registration on or before October 11, 2022. You may also register to vote in person on Election Day.
- **Do I need identification (ID) to register?** You will need to have a Nevada address and Nevada state ID card or driver's license. You can use your social security number if you don't have a state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private. If you have a guardian, you can still vote, unless a judge said you cannot vote. For help understanding or getting back your right to vote, contact your local [Protection and Advocacy Agency \(P&A\)](#).

- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Learn about voting rights for people who have [gone to jail or prison](#). You can also [contact your local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a ballot?** A ballot is a list of who and what you can vote for. Your ballot will list candidates who are running for different offices, such as Senator or Representative. You vote by marking your choice on the ballot.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. You can learn about ballot measures on the Nevada [election website](#).
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** Most voters in Nevada vote by mail. Learn about voting by mail below. If you need help voting, or you want to vote in person, you can go to a vote center. You can find your local vote center through the Nevada election website. [Find your vote center](#).
- **Can I vote before Election Day?** Nevada allows any voter to vote in person before Election Day during the Early Voting period. You can vote between October 22, 2022 and November 4, 2022 and avoid lines on Election Day!
- **Can I vote outside if the polling place is inaccessible?** Nevada does not usually allow voters to vote outside the vote center if it is

inaccessible. However, some vote centers may offer this option, which is called curbside voting. Contact your local elections office for more information.

- **What if I want help with filling out my ballot?** You may choose someone to help you vote. Your helper cannot be a candidate or your boss. If you are part of a labor union at work, the person who helps you vote cannot be a representative of that labor union. [What is a labor union?](#) You may also ask for help from poll workers at the vote center.
- **Do I need an ID?** Nevada does not require voters to show ID to vote in person, unless it is their first time voting in a federal election in Nevada. [Learn about voter ID.](#)

VOTING BY MAIL

- **Can I vote by mail?** Any voter in Nevada can vote by mail.
- **How do I request a mail ballot?** If you are registered to vote, Nevada will automatically send you a mail ballot. You must register online to vote by October 3, 2022 or register by mail by October 11, 2022.
- **Can I get an electronic vote by mail ballot?** Nevada allows voters with disabilities to request an electronic ballot that they can fill out and return electronically. [Request electronic ballot.](#)
- **Do I need to sign my ballot?** Be sure to sign your ballot or envelope when asked, since Nevada requires this signature to match one of your past signatures.
- **What if I want help with filling out my ballot?** A voter with a disability may have someone sign their ballot for them. If a person marks and signs a mail ballot for the voter, the person must write next to their signature that the ballot has been marked and signed on behalf of a voter. The helper must also include their name, address, and signature on the return envelope. The voter can also have someone help them sign their own ballot.

- **How do I return my ballot?** You can return your ballot by mail or in person. If you are returning your ballot by mail, it must be postmarked by November 8, 2022, and received by election officials on November 12, 2022. If you are returning your ballot in person, it must be received before the polls close on November 8, 2022.
- **Can someone return my ballot for me?** Yes, you may choose to have someone return your ballot for you.
- **Do I need an ID to vote by mail?** No, you do not need an ID when voting an absentee ballot by mail unless you are voting for the first time in a federal election in Nevada.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the elections office has received it. You can do this on the Nevada election website. [Track your ballot.](#)
