

HOW TO VOTE IN TEXAS

A Quick Guide for People with Disabilities Voting in the 2022 General Election on or Before November 8, 2022.

REGISTERING TO VOTE

- **How can I register to vote?** You can register:
 - If you have already registered, you can check if you are registered to vote at vote411.org.
 - By downloading and mailing the Texas [mail in registration form](#). You can also fill out the registration form online before printing, signing, and mailing it.
- **When do I need to register?** Be sure to register to vote on or before October 11, 2022. Texas does not allow people to register after this date or on Election Day for this election.
- **Do I need identification (ID) to register?** You will need to have a Texas address and Texas state ID card or driver's license. You can use your social security number if you don't have a state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private. If you have a guardian, you can still vote, unless a judge said you cannot vote. For help understanding or getting back your right to vote, contact your local [Protection and Advocacy Agency \(P&A\)](#).

- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Learn about voting rights for people who have [gone to jail or prison](#). You can also [contact your local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a ballot?** A ballot is a list of who and what you can vote for. Your ballot will list candidates who are running for different offices, such as Senator or Representative. You vote by marking your choice on the ballot.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. You can learn about ballot measures on the Texas [election website](#).
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Texas election website. [Find your polling place](#).
- **Can I vote before Election Day?** Texas allows any voter to vote in person before Election Day during the Early Voting period. You can vote between October 24, 2022 and November 4, 2022 and avoid lines on Election Day!
- **Can I vote outside if the polling place is inaccessible?** Yes, Texas does allow voters to vote outside the polling place if it is inaccessible. This is called curbside voting.

- **What if I want help with filling out my ballot?** You may choose someone to help you vote. Your helper cannot be a candidate or your boss. If you are part of a labor union at work, the person who helps you vote cannot be a representative of that labor union. [What is a labor union?](#) You may also ask for help from poll workers at the polling place.
- **Do I need an ID?** Texas requires voters to show photo ID to vote in person. If the voter does not have photo ID because it was too difficult to get one or impossible to get one, they may have a "reasonable impediment to obtaining a photo ID." In this case, the voter can show a non-photo ID and sign a form, and still vote. [Learn about voter ID.](#)

VOTING BY MAIL

- **Can I vote by mail?** If you have a disability or you are away from home on Election Day, you may vote early by mail in Texas.
- **How do I request a mail ballot?** You must apply for a ballot by mail through your local election office. [Request your ballot.](#)
- **Can I get an electronic vote by mail ballot?** Texas does not have an electronic ballot available for voters with disabilities, so you must vote on a paper ballot.
- **When do I need to request my ballot?** The last day to request your ballot is October 28, 2022. Request your ballot as soon as possible to make sure that you receive your ballot on time.
- **Do I need to sign my ballot?** Be sure to sign your ballot or envelope when asked, since Texas requires this signature to match one of your past signatures.
- **What if I want help with filling out my ballot?** You should be allowed to choose someone to help you with filling out your ballot. Someone helping you may need to complete a statement called an affidavit to be returned with the ballot. [What is an affidavit?](#)

- **How do I return my ballot?** You can return your ballot by mail or deliver it in person on Election Day. If you are returning your ballot by mail, it must be postmarked by 7 p.m. on November 7, 2022, and received by election officials by 5 p.m. on November 9, 2022. If you are returning your ballot in person, it must be received by 7 p.m. on November 8, 2022.
- **Can someone return my ballot for me?** Yes, you may choose to have someone return your ballot for you. You must put your helper's name and address on the ballot envelope, and your helper must sign the envelope.
- **Do I need an ID to vote by mail?** Yes, you must include a Texas driver's license number, an election identification certificate number, personal identification card number, or the last four numbers of your Social Security number with your ballot. If you don't have any of these numbers, check the box on the return envelope that says that you don't have them.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the elections office has received it. You can do this on the Texas election website. [Track your ballot.](#)
