

HOW TO VOTE IN KANSAS

A Quick Guide for People with Disabilities Voting in 2023 Local Elections

Note: Kansas only has local elections in 2023. To find out if your city/town has an election in 2023, contact the [local election office](#).

There are lots of different words and phrases used in voting and elections. We explain some of these words and phrases in this guide. Other definitions and examples can be found in our [Voting Language Resource](#).

There are also phrases that might change based on where you live. For example, in this guide, we use the term "local election office." In some cities and towns, this office might have a different name. Your local election office might be called the county clerk, county election commission, board of elections, or something else. You can find that information by clicking on the links for each state that we have included in the guide.

- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. LEARNING ABOUT THE ISSUES

- **What is a ballot?** A ballot is a list of who and what you are voting for. Your ballot will list candidates who are running for different offices, such as School Board members, City Council members, or State Representatives. You vote by marking your choice on the ballot. If you are voting by marking a paper ballot, and not using a voting machine, make sure to look at both sides of the ballot. Sometimes, your ballot has choices on both sides.

- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. [Learn about ballot measures](#) on our resource page.
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Kansas Secretary of State's website. [Find your polling place](#).
- **Do I need an ID to vote in person?** This state requires voters to show a photo ID to vote in person. [Learn about voter ID](#).
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot.
- **Who can help me with filling out my ballot?** You may choose someone you know to help you vote or ask for help from a poll worker at the polling place. Your boss cannot help you vote. If you are part of a labor union at work, the person who helps you vote cannot be your labor union representative. [Learn about labor unions](#) on our resource page.
- **Can I vote before Election Day?** This state allows any voter to vote in person before Election Day during a period called "Advance Voting." The advance voting period is set by the local election office. Contact the [local election office](#) for more information.
- **Can I vote outside of the polling place if it is inaccessible?** This state allows voters to vote outside the polling place if it is inaccessible. This

is called curbside voting. Contact the [local election office](#) for more information about curbside voting.

VOTING BY MAIL

- **Can I vote by mail?** Any voter in this state can vote by mail. (If a polling place is not accessible to people with disabilities, this is another way for you to vote.)
- **Do I need an ID to vote by mail?** You must include your Kansas driver's license or non-driver state ID number or a valid form of ID when requesting an absentee ballot. You do not need to include a copy of an ID when you return your ballot.
- **How do I request a mail ballot?** You must request a ballot through the local election office by mail, in person, or by fax. [Request your ballot.](#)
- **Can I get an electronic vote by mail ballot?** This state does not have an electronic vote by mail ballot available for voters with disabilities, so you must vote on a paper ballot.
- **What is the deadline for requesting my ballot?** The last day to request a ballot is 7 days before Election Day. Request your ballot as soon as possible to make sure that you receive your ballot on time.
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot. The person who helps you may need to complete a form called an affidavit to be returned with the ballot. An affidavit is a written statement. When someone signs an affidavit, they promise that they are telling the truth.
- **Do I need to sign my ballot envelope?** Follow the instructions on the envelope to sign your envelope when asked. This state requires this signature to match the signature on your voter registration form.
- **How do I return my ballot?** You can return your ballot by mail to the local election office. You can also deliver it to a polling place, local

election office, or drop box. If you are returning your ballot by mail, it must be postmarked by Election Day and received no later than 3 days after Election Day. If you are delivering your ballot, it must be received by Election Day.

- **Can someone return my ballot for me?** Yes, you may choose to have someone return your ballot for you. That person is allowed to return up to 10 ballots for other people.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the local election office has received it. You can do this on the Kansas Secretary of State's website. [Track your ballot.](#)
