

HOW TO VOTE IN MICHIGAN

A Quick Guide for People with Disabilities Voting in 2023 Local Elections

Note: Michigan only has local elections in 2023. To find out if your city/town has an election in 2023, contact the local election office.

There are lots of different words and phrases used in voting and elections. We explain some of these words and phrases in this guide. Other definitions and examples can be found in our <u>Voting Language Resource</u>.

There are also phrases that might change based on where you live. For example, in this guide, we use the term "local election office." In some cities and towns, this office might have a different name. Your local election office might be called the county clerk, county election commission, board of elections, or something else. You can find that information by clicking on the links for each state that we have included in the guide.

 Social Security number if you don't have a driver's license or non-driver
 state ID.

 18 years old or older have the right to vote. Your vote matters and is
 protected by laws to make sure voting is accessible, independent, and
 private.

LEARNING ABOUT THE ISSUES

What is a ballot? A ballot is a list of who and what you are voting for.
 Your ballot will list candidates who are running for different offices,
 such as School Board members, City Council members, or State
 Representatives. You vote by marking your choice on the ballot. If you
 are voting by marking a paper ballot, and not using a voting machine,
 make sure to look at both sides of the ballot. Sometimes, your ballot
 has choices on both sides.

- What is a ballot measure? Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. <u>Learn about ballot</u> <u>measures</u> on our resource page.
- Can I look at my ballot before I go to vote? Enter your home address in Ballotpedia's Sample Ballot Lookup. This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- Where do I need to go to vote? The place where you go to vote in person is called a polling place. You can find your local polling place through the Michigan Secretary of State's website. <u>Find your polling</u> <u>place.</u>
- Do I need an ID to vote in person? This state asks voters to show a
 photo ID to vote. If you don't have a photo ID, you can sign an affidavit
 to vote. An affidavit is a written statement. When someone signs an
 affidavit, they promise that they are telling the truth. Learn about voter
 ID.
- What if I need help with filling out my ballot? You are allowed to have someone help you fill out your ballot.
- Who can help me with filling out my ballot? You may choose someone you know to help you vote or ask for help from a poll worker at the polling place. Your boss cannot help you vote. If you are part of a labor union at work, the person who helps you vote cannot be your labor union representative. Learn about labor unions on our resource page.
- Can I vote before Election Day? You can vote early in person at the
 local election office before Election Day. Michigan calls this period the
 "In-Person Absentee Voting Period." In-Person Absentee Voting starts
 40 days before Election Day and ends the day before Election Day.

• Can I vote outside of the polling place if it is inaccessible? This state allows voters to vote outside the polling place if it is inaccessible. This is called curbside voting. Contact the <u>local election office</u> for more information about curbside voting.

VOTING BY MAIL

- Can I vote by mail? Any voter in this state can vote by mail. This is called absentee voting. (If a polling place is not accessible to people with disabilities, this is another way for you to vote.)
- Do I need an ID to vote by absentee ballot? No, you do not need an ID
 when voting by absentee ballot unless you are voting for the first time
 in a federal election in Michigan. Federal elections happen in evennumbered years. <u>Learn about federal elections</u> on our resource page.
- How do I request an absentee ballot? You must request your ballot online, or in person or by mail from the local election office. Request your ballot.
- Can I get an electronic absentee ballot? This state allows some voters with disabilities to request an electronic absentee ballot. They must be blind, have low vision, have a physical disability, or have a learning disability that makes it difficult to read or mark a paper ballot. They can fill out the ballot electronically, print it, and return the ballot. Contact the local election office to find out if you can request an electronic ballot to vote in local elections in 2023.
- What is the deadline for requesting my ballot? The last day to request an absentee ballot online or by mail is 4 days before Election Day. The last day to request a ballot at the local election office is the day before Election Day.
- What if I need help with filling out my ballot? You are allowed to have someone help you fill out your ballot. The person who helps you must sign your ballot return envelope.

- **Do I need to sign my ballot envelope?** Follow the instructions on the envelope to sign your envelope when asked. This state requires this signature to match the signature on your voter registration form.
- How do I return my ballot? You can return your ballot by mail or deliver it to the local election office or a drop box. Your ballot must be received by 8 p.m. on Election Day.
- Can someone return my ballot for me? You may have a family member or someone who lives with you return your ballot for you.
