

HOW TO VOTE IN NORTH DAKOTA

A Quick Guide for People with Disabilities

Note: North Dakota does not have any known elections in 2023. To find out if your city/town has an election in 2023, contact the [local election office](#).

There are lots of different words and phrases used in voting and elections. We explain some of these words and phrases in this guide. Other definitions and examples can be found in our [Voting Language Resource](#).

There are also phrases that might change based on where you live. For example, in this guide, we use the term "local election office." In some cities and towns, this office might have a different name. Your local election office might be called the county clerk, county election commission, board of elections, or something else. You can find that information by clicking on the links for each state that we have included in the guide.

REGISTERING TO VOTE

- **How can I register to vote?** North Dakota does not have voter registration. If you are eligible to vote, you can vote in an election by bringing identification (ID) with you to vote. This ID must have your name, date of birth, and current home address.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is

protected by laws to make sure voting is accessible, independent, and private.

- **Can I vote if I have a guardian?** In this state, just having a guardian does not automatically take away your right to vote. However, sometimes a court may decide that you cannot vote. If you are not sure, you can check your guardianship order. If your guardianship order does not say anything about voting, this means you can still vote! Your right has only been taken away if your order directly says that. For help understanding your right to vote and guardianship, contact the local [Protection and Advocacy Agency \(P&A\)](#).
- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Some states take away your right to vote if you have gone to jail or prison. Learn about voting rights for people who have [gone to jail or prison](#). You can also learn more from the [Campaign Legal Center](#) or [contact the local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a ballot?** A ballot is a list of who and what you are voting for. Your ballot will list candidates who are running for different offices, such as School Board members, City Council members, or State Representatives. You vote by marking your choice on the ballot. If you are voting by marking a paper ballot, and not using a voting machine, make sure to look at both sides of the ballot. Sometimes, your ballot has choices on both sides.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. [Learn about ballot measures](#) on our resource page.

- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the North Dakota Secretary of State's website. [Find your polling place](#).
- **Do I need an ID to vote in person?** This state requires voters to show an ID that includes the voter's name, date of birth, and current home address. [Learn about voter ID](#).
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot.
- **Who can help me with filling out my ballot?** You may choose someone you know to help you vote or ask for help from a poll worker at the polling place. Your boss cannot help you vote. If you are part of a labor union at work, the person who helps you vote cannot be your labor union representative. [Learn about labor unions](#) on our resource page.
- **Can I vote before Election Day?** This state allows any voter to vote in person before Election Day during the Early Voting period. The early voting period is set by the local election office, but it starts at least 15 days before Election Day and ends the day before Election Day. Contact the [local election office](#) for more information.
- **Can I vote outside of the polling place if it is inaccessible?** This state does not usually allow people to vote outside the polling place if it is inaccessible. You can contact the [local election office](#) to see if they will make this accommodation. You can also contact the [Secretary of State's office](#) for assistance or vote by mail.

VOTING BY MAIL

- **Can I vote by mail?** Any voter in this state can vote by mail. This is called absentee voting or mail-in voting. (If a polling place is not accessible to people with disabilities, this is another way for you to vote.)
- **Do I need an ID to vote by absentee ballot?** You must include a copy of an ID when you apply to vote by mail, unless you have a disability that stops you from leaving home to get an ID card. Then, you must include a signature on your application from another qualified North Dakota voter. You do not need to include a copy of your ID when you return your ballot.
- **How do I request an absentee ballot?** You must request your absentee ballot through the local election office in person or by mail. [Request your ballot.](#)
- **Can I get an electronic absentee ballot?** This state does not have an electronic absentee ballot available for voters with disabilities, so you must vote on a paper ballot.
- **What is the deadline for requesting my ballot?** This state does not have a deadline for requesting an absentee ballot. Request your ballot as soon as possible to make sure that you receive your ballot on time.
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot. That helper cannot be your boss, a union representative if you are part of a labor union, or a candidate who is currently running for office and whose name is on the ballot you are voting on.

- **Do I need to sign my ballot envelope?** Follow the instructions on the envelope to sign your envelope when asked. This state requires this signature to match the signature on your voter registration form.
- **How do I return my ballot?** You can return your ballot by mail or deliver it to a ballot drop box. Your ballot must be postmarked and returned by the day before Election Day.
- **Can someone return my ballot for me?** Yes, you may choose to have someone return your ballot for you.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the local election office has received it. You can do this on the North Dakota Secretary of State's website. [Track your ballot.](#)
