

HOW TO VOTE IN ARKANSAS

A Quick Guide for People with Disabilities Voting in Primary Election on Tuesday, March 5, 2024

Note: There are lots of different words and phrases used in voting and elections. We explain some of these words and phrases in this guide. Other definitions and examples can be found in our [Voting Language Resource](#).

There are also phrases that might change based on where you live. For example, in this guide, we use the term "local election office." In some cities and towns, this office might have a different name. Your local election office might be called the county clerk, county election commission, board of elections, or something else. You can find that information by clicking on the links for each state that we have included in the guide.

REGISTERING TO VOTE

- **How can I register to vote?**
 - You can find out if you are already registered by visiting vote411.org.
 - Register to vote by downloading, filling out, and returning the Arkansas [voter registration form](#).
 - This state does not have online voter registration.
- **When do I need to register?** The voter registration deadline for this election is Sunday, February 4. Be sure to register on or before this date. In this state, voters cannot register after the deadline or on Election Day.

- **Do I need an identification (ID) to register?** You will need a driver's license or non-driver state ID to register to vote. You can use your Social Security number if you don't have a driver's license or non-driver state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private.
- **Can I vote if I have a guardian?** In this state, just having a guardian does not automatically take away your right to vote. However, sometimes a court may decide that you cannot vote. If you are not sure, you can check your guardianship order. For help understanding your right to vote and guardianship, contact the local [Protection and Advocacy Agency \(P&A\)](#).
- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Some states take away your right to vote if you have gone to jail or prison. Learn about voting rights for people who have [gone to jail or prison](#). You can also learn more from the [Campaign Legal Center](#) or [contact the local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a primary election?** In some elections, only 1 person from each political party can run for an elected official position. For example, only 1 Democrat candidate and 1 Republican candidate can run in a race to become a President or Senator. But lots of people want to be elected officials, so the state hosts two elections. In the first election, every party votes on who their candidate will be. This is called a primary election. Then, there is a second election that happens later with the winners of the primary election. This is called the general election. In

the general election, everyone votes for which of these candidates they want to be elected to each office.

- **What is a ballot?** A ballot is a list of who and what you are voting for. Your ballot will list candidates who are running for different offices, such as President, Senator, or Member of Congress. You vote by marking your choice on the ballot. If you are voting by marking a paper ballot and not using a voting machine, make sure to look at both sides of the ballot. Sometimes, your ballot has choices on both sides.
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Arkansas Secretary of State's website. [Find your polling place.](#)
- **Do I need an ID to vote in person?** This state requires voters to show a photo ID to vote in person. [Learn about voter ID.](#)
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot.
- **Who can help me with filling out my ballot?** You may choose someone you know to help you vote or ask for help from a poll worker at the polling place. Your boss cannot help you vote. If you are part of a labor union at work, the person who helps you vote cannot be your labor union representative. [Learn about labor unions](#) on our resource page.
- **Can I vote before Election Day?** This state allows any voter to vote in person before Election Day during the Early Voting period. Early voting starts on Tuesday, February 20 and ends on Monday, March 4. Vote early and avoid lines on Election Day!

- **Can I vote outside of the polling place if it is inaccessible?** This state does not usually allow people to vote outside polling place if it is inaccessible. You can contact the [local election office](#) to see if they will make this accommodation. You can also contact the [Secretary of State's office](#) for assistance or vote by absentee ballot.

VOTING BY MAIL

- **Can I vote by mail?** If you have a disability or you will be away from home on Election Day, you can vote by mail in this state. This is called absentee voting. (If a polling place is not accessible to people with disabilities, this is another way for you to vote.)
- **Do I need an ID to vote by absentee ballot?** Yes, you will need to include a copy of a valid photo ID in your ballot return envelope. If you live in a nursing home or institution, you can have your facility administrator write a letter saying that you are living there instead of using an ID.
- **How do I request an absentee ballot?** You must request an absentee ballot through the local election office in person or by mail, email, or fax. [Request your ballot.](#)
- **Can I get an electronic absentee ballot?** This state does not have an electronic absentee ballot available for voters with disabilities, so you must vote on a paper ballot.
- **What is the deadline for requesting my ballot?** The last day to request an absentee ballot by mail for this election is Tuesday, February 27. The last day to request an absentee ballot at the local election office is Friday, March 1. Request your ballot as soon as possible to make sure that you receive it on time.
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot. The person who helps you may need to complete a statement called an affidavit to be returned with the

ballot. An affidavit is a written statement. When someone signs an affidavit, they promise that they are telling the truth.

- **Do I need to sign my ballot envelope?** Follow the instructions on the envelope to sign your envelope when asked. This state may require this signature to match the signature on your voter registration form.
- **Can someone return my ballot for me?** Yes, you may choose to have someone pick up and return your ballot for you. This person is called a Designated Bearer. If you are living in a hospital or nursing home, you can have an administrator from the hospital or nursing home pick up and return your ballot for you. This person is called an Authorized Agent.
- **How do I return my ballot?** You can return your ballot by mail or deliver it to the local election office. If you are returning your ballot by mail, it must be received by 7:30 p.m. on Election Day, Tuesday, March 5. If you or a Designated Bearer are returning your ballot to the local election office, it must be received by close of business on Friday, March 1.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the local election office has received it. You can do this on the Arkansas Secretary of State's website. [Track your ballot.](#)
