

HOW TO VOTE IN GEORGIA

A Quick Guide for People with Disabilities Voting in the Primary Election on Tuesday, May 21, 2024

Note: There are lots of different words and phrases used in voting and elections. We explain some of these words and phrases in this guide. Other definitions and examples can be found in our [Voting Language Resource](#).

There are also phrases that might change based on where you live. For example, in this guide, we use the term "local election office." In some cities and towns, this office might have a different name. Your local election office might be called the county clerk, county election commission, board of elections, or something else. You can find that information by clicking on the links for each state that we have included in the guide.

REGISTERING TO VOTE

- **How can I register to vote?**
 - You can find out if you are already registered by visiting vote411.org.
 - Register to vote online at Georgia's [online voter registration website](#).
 - Register to vote by downloading, filling out, and returning the Georgia [voter registration form](#).
- **When do I need to register?** The voter registration deadline is Monday, April 22. Be sure to register on or before this date. In this state, voters cannot register after the deadline or on Election Day.

- **Do I need an identification (ID) to register?** You will need a driver's license or non-driver state ID to register to vote. You can use your Social Security number if you don't have a driver's license or non-driver state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private.
- **Can I vote if I have a guardian?** In this state, just having a guardian does not automatically take away your right to vote. However, sometimes a court may decide that you cannot vote. If you are not sure, you can check your guardianship order. If your guardianship order does not say anything about voting, this means you can still vote! Your right has only been taken away if your order directly says that. For help understanding your right to vote and guardianship, contact the local [Protection and Advocacy Agency \(P&A\)](#).
- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Some states take away your right to vote if you have gone to jail or prison. Learn about voting rights for people who have [gone to jail or prison](#). You can also learn more from the [Campaign Legal Center](#) or [contact the local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a primary election?** In some elections, only one person from each political party can run for an elected official position. For example, only 1 Democrat candidate and 1 Republican candidate can run in a race to become the President or a Senator. But many people want to be elected officials, so the state hosts two elections. In the first election, every party votes on who their candidate will be. This is a primary election. Then, there is a second election that happens later with the

winners of the primary election. This is the general election. In the general election, everyone votes for which of these candidates they want to elect to each office.

- **What is a ballot?** A ballot is a list of who and what you are voting for. Your ballot will list candidates who are running for different offices, such as Senator or Representative. You vote by marking your choice on the ballot. If you are voting by marking a paper ballot and not using a voting machine, make sure to look at both sides of the ballot. Sometimes, your ballot has choices on both sides.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. [Learn about ballot measures](#) on our resource page.
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Georgia Secretary of State Elections Division website. [Find your polling place.](#)
- **Do I need an ID to vote in person?** This state requires voters to show a photo ID to vote in person. The Georgia Secretary of State Elections Division has a list of acceptable IDs that you may bring with you. [Learn about voter ID.](#)
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot.

- **Who can help me with filling out my ballot?** You may choose someone you know to help you vote or ask for help from a poll worker at the polling place. Your boss cannot help you vote. If you are part of a labor union at work, the person who helps you vote cannot be your labor union representative. [Learn about labor unions](#) on our resource page. Your helper cannot be a candidate who is currently running for office and whose name is on the ballot you are voting on, or a family member of that candidate.
- **Can I vote before Election Day?** This state allows any voter to vote in person before Election Day during the Early Voting period. The early voting period starts on Monday, April 29 and ends on Friday, May 17. The days and times for early voting are different for each polling place. Contact the [local election office](#) to find out what days and times you can vote early.
- **Can I vote outside of the polling place if it is inaccessible?** This state does not usually allow people to vote outside the polling place if it is inaccessible. You can contact the [local election office](#) to see if they will make this accommodation. You can also contact the [Secretary of State Elections Division](#) for assistance or vote by absentee ballot.

VOTING BY MAIL

- **Can I vote by mail?** Any voter in this state can vote by mail. This is called absentee voting. (If a polling place is not accessible to people with disabilities, this is another way for you to vote.)
- **Do I need an ID to vote by absentee ballot?** You must provide your Georgia driver's license or non-driver state ID number and a copy of a valid photo ID when requesting an absentee ballot. If you don't have a driver's license or non-driver state ID number, you must mark on your application that you don't have either of those numbers. You must also write your Georgia driver's license number, non-driver state ID number, or Social Security number on your absentee ballot envelope. If you don't

have any of these numbers, you must include a copy of acceptable ID when you mail your absentee ballot.

- **How do I request an absentee ballot?** You must request an absentee ballot online or through local election office in person or by mail, email, or fax. [Request your ballot.](#)
- **Can I get an electronic absentee ballot?** This state does not have an electronic absentee ballot available for voters with disabilities, so you must vote on a paper ballot.
- **What is the deadline for requesting my ballot?** The last day to request an absentee ballot is Friday, May 10. Request your ballot as soon as possible to make sure that you receive your ballot on time.
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot. The person who helps you must sign a statement called an oath on the ballot. An oath is a written statement. When someone signs an oath, they promise that they are telling the truth.
- **Do I need to sign my ballot envelope?** Follow the instructions on the envelope to sign your envelope when asked. You must also include your driver's license number, non-driver state ID number, or Social Security number. If you don't have this information, you must include a copy of acceptable ID. Your ballot will not be counted if your signature or ID information is missing.
- **How do I return my ballot?** You can return your ballot by mail or deliver it to the local election office or a drop box. Your ballot must be received before the polls close on Election Day, Tuesday, May 21.
- **Can someone return my ballot for me?** Yes, you may have a direct support professional (DSP), household member, or family member return your ballot for you.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the local election office has received it. You can do this on the Georgia Secretary of State Elections Division website. [Track your ballot.](#)
