

HOW TO VOTE IN MISSISSIPPI

A Quick Guide for People with Disabilities Voting in the Primary Election on Tuesday, March 12, 2024

Note: There are lots of different words and phrases used in voting and elections. We explain some of these words and phrases in this guide. Other definitions and examples can be found in our [Voting Language Resource](#).

There are also phrases that might change based on where you live. For example, in this guide, we use the term "local election office." In some cities and towns, this office might have a different name. Your local election office might be called the county clerk, county election commission, board of elections, or something else. You can find that information by clicking on the links for each state that we have included in the guide.

 - This state does not have online voter registration.
- **When do I need to register?** The deadline to register to vote is Sunday, February 11, 2024. Be sure to register on or before these dates. In this state, voters cannot register after this date or on Election Day.

- **Do I need an identification (ID) to register?** You will need a driver's license or non-driver state ID to register to vote. You can use your Social Security number if you don't have a driver's license or non-driver state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private.

LEARNING ABOUT THE ISSUES

- **What is a primary election?** In some elections, only 1 person from each political party can run for an elected official position. For example, only 1 Democrat candidate and 1 Republican candidate can run in a race to become a President or Senator. But lots of people want to be elected officials, so the state hosts two elections. In the first election, every party votes on who their candidate will be. This is called a primary election. Then, there is a second election that happens later with the winners of the primary election. This is called the general election. In the general election, everyone votes for which of these candidates they want to be elected to each office.

- **What is a ballot?** A ballot is a list of who and what you are voting for. Your ballot will list candidates who are running for different offices, such as President, Senator, or Member of Congress. You vote by marking your choice on the ballot. If you are voting by marking a paper ballot, and not using a voting machine, make sure to look at both sides of the ballot. Sometimes, your ballot has choices on both sides.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. [Learn about ballot measures](#) on our resource page.
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Mississippi Secretary of State's website. [Find your polling place.](#)
- **Do I need an ID to vote in person?** This state requires voters to show a photo ID to vote in person. [Learn about voter ID.](#)
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot.
- **Who can help me with filling out my ballot?** You may choose someone you know to help you vote or ask for help from a poll worker at the polling place. Your boss cannot help you vote. If you are part of a labor union at work, the person who helps you vote cannot be your labor union representative. [Learn about labor unions](#) on our resource page. Your helper cannot be a candidate who is currently running for office

and whose name is on the ballot you are voting on, or a family member of that candidate.

- **Can I vote before Election Day?** This state only allows some voters to vote in person before Election Day. Voters with disabilities and voters who are away from home on Election Day are allowed to vote during this period, which Mississippi calls "In-Person Absentee Voting." If you are eligible to vote during this time, you can vote in person at the local election office between Saturday, January 27th and Saturday, March 9th.
- **Can I vote outside of the polling place if it is inaccessible?** This state allows voters to vote outside the polling place if it is inaccessible or you have a physical disability that makes it difficult to stand in line. This is called curbside voting. Contact the [local election office](#) for more information about curbside voting.

VOTING BY MAIL

- **Can I vote by mail?** If you have a disability or you will be away from home on Election Day, you can vote by mail in this state. This is called absentee voting. (If a polling place is not accessible to people with disabilities, this is another way for you to vote.)
- **Do I need an ID to vote by absentee ballot?** No, you do not need an ID when voting by absentee ballot unless you are voting for the first time in a federal election in Mississippi. Federal elections happen in even-numbered years. [Learn about federal elections](#) on our resource page.
- **How do I request an absentee ballot?** You must request an absentee ballot through the local election office in person or by mail. [Request your ballot](#). Your absentee ballot request must be witnessed by a notary. A notary is someone that is appointed by the state government to witness signatures on important documents. [Learn about notaries](#)

on our resource page. If you have a disability, any adult may sign your absentee ballot request as a witness.

- **Can I get an electronic absentee ballot?** This state does not have an electronic absentee ballot available for voters with disabilities, so you must vote on a paper ballot.
- **What is the deadline for requesting my ballot?** This state does not have a deadline for requesting an absentee ballot. Request your ballot as soon as possible to make sure that you receive your ballot on time.
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot.
- **Do I need to sign my ballot envelope?** Follow the instructions on the envelope to sign your envelope when asked. Your ballot will not be counted if your signature is missing. You must also have your ballot witnessed by a notary or clerk unless you have a disability. A clerk is someone who works at the local election office. If you have a disability, you can have your ballot envelope signed by a witness who is at least 18 years old.
- **How do I return my ballot?** You must return your ballot by mail to the local election office. It must be postmarked by Election Day, Tuesday, March 12, and received no later than Tuesday, March 19.
- **Can someone return my ballot for me?** You may have a family member, household member, direct support professional (DSP), election official, or post office employee return your ballot for you.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the local election office has received it. You can do this on the Mississippi election website. [Track your ballot.](#)
