

HOW TO VOTE IN MISSOURI

A Quick Guide for People with Disabilities Voting in State Primary Election on Tuesday, August 6, 2024

Note: There are lots of different words and phrases used in voting and elections. We explain some of these words and phrases in this guide. Other definitions and examples can be found in our [Voting Language Resource](#).

There are also phrases that might change based on where you live. For example, in this guide, we use the term "local election office." In some cities and towns, this office might have a different name. Your local election office might be called the county clerk, county election commission, board of elections, or something else. You can find that information by clicking on the links for each state that we have included in the guide.

REGISTERING TO VOTE

- **How can I register to vote?**
 - You can find out if you are already registered by visiting vote411.org.
 - Register to vote online at Missouri's [online voter registration website](#).
 - Register to vote by downloading, filling out, and returning the Missouri [voter registration form](#).
- **When do I need to register?** The voter registration deadline is Wednesday, July 10. Be sure to register on or before this date. Missouri does not allow voters to register after the deadline or on Election Day.

- **Do I need an identification (ID) to register?** You will need a driver's license or non-driver state ID. You can use your Social Security number if you don't have a driver's license or non-driver state ID.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private.
- **Can I vote if I have a guardian?** In this state, most people with guardians cannot vote. However, you can go to a judge to try to get your right to vote back. If you have done this already, your guardianship order will say that you can still vote. If your guardianship order doesn't say anything about voting, that means you cannot vote. For help understanding your right to vote and guardianship, contact the local [Protection and Advocacy Agency \(P&A\)](#).
- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Some states take away your right to vote if you have gone to jail or prison. Learn about voting rights for people who have [gone to jail or prison](#). You can also learn more from the [Campaign Legal Center](#) or [contact the local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a primary election?** In some elections, only one person from each political party can run for an elected official position. For example, only 1 Democrat candidate and 1 Republican candidate can run in a race to become a Representative or Senator. But many people want to be elected officials, so the state hosts two elections. In the first election, every party votes on who their candidate will be. This is a primary election. Then, there is a second election that happens later with the winners of the primary election. This is the general election. In

the general election, everyone votes for which of these candidates they want to elect to each office.

- **What is a ballot?** A ballot is a list of who and what you are voting for. Your ballot will list candidates who are running for different offices, such as Senator or Representative. You vote by marking your choice on the ballot. If you are voting by marking a paper ballot and not using a voting machine, make sure to look at both sides of the ballot. Sometimes, your ballot has choices on both sides.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. [Learn about ballot measures](#) on our resource page.
- **Can I look at my ballot before I go to vote?** Enter your home address in [Ballotpedia's Sample Ballot Lookup](#). This tool will give you a "sample ballot," which will show you what will be on your ballot when you vote.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. You can find your local polling place through the Missouri Secretary of State's website. [Find your polling place.](#)
- **Do I need an ID to vote in person?** This state requires voters to show a photo ID to vote in person. [Learn about voter ID.](#)
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot.
- **Who can help me with filling out my ballot?** You may choose someone you know to help you vote or ask for help from a poll worker at the polling place. Your boss cannot help you vote. If you are part of a labor

union at work, the person who helps you vote cannot be your labor union representative. [Learn about labor unions](#) on our resource page.

- **Can I vote before Election Day?** Any voter may vote early in person before Election Day during a period Missouri calls "In-Person Absentee Voting." During this period, voters can go to the local election office or a polling place before Election Day to vote in person. The In-Person Absentee Voting period starts on Tuesday, July 23 and ends on Monday, August 5.
- **Can I vote outside of the polling place if it is inaccessible?** This state allows voters to vote outside the polling place if it is inaccessible or the voter has a physical disability. This is called curbside voting. Contact the [local election office](#) for more information about curbside voting.

VOTING BY MAIL

- **Can I vote by mail?** If you have a disability or you will be away from home on Election Day, you can vote by mail in this state. This is called absentee voting. (If a polling place is not accessible to people with disabilities, this is another way for you to vote.)
- **Do I need an ID to vote by absentee ballot?** You must provide a copy of your ID with your absentee ballot request if you registered to vote by mail and have not voted in person and showed acceptable ID before.
- **How do I request an absentee ballot?** You must request an absentee ballot through the local election office by mail, by fax, or in person. [Request your ballot.](#)
- **Can I get an electronic absentee ballot?** This state does not have an electronic absentee ballot available for voters with disabilities, so you must vote on a paper ballot.
- **What is the deadline for requesting my ballot?** The last day to request an absentee ballot by mail or fax is Wednesday, July 24. The deadline to request an absentee ballot at the local election office is the day

before Election Day, Monday, August 5. Request your ballot as soon as possible to make sure that you receive your ballot on time.

- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot. The person who helps you must sign a statement called an affidavit on the ballot return envelope. An affidavit is a written statement. When someone signs an affidavit, they promise that they are telling the truth.
- **Do I need to sign my ballot envelope?** Follow the instructions on the envelope to sign your envelope when asked. Your ballot will not be counted if your signature is missing. You must also have a witness sign your ballot or envelope when asked and have your ballot notarized by a notary. A notary is someone that is appointed by the state government to witness signatures on important documents. [Learn about notaries](#) on our resource page. Some voters with disabilities can ask the local election office to let them return their ballot without having it notarized.
- **How do I return my ballot?** You can return your ballot by mail or deliver it to the local election office. Your ballot must be received before the polls close on Election Day, Tuesday, August 6.
- **Can someone return my ballot for me?** Yes, you may choose to have a family member return your ballot for you. This family member must be a parent, child, sibling, grandparent, grandchild, uncle, aunt, nephew, niece, or half-sibling.
- **Can I track my ballot?** Unfortunately, you cannot track your ballot online to see if the local election office has received it. You can help make sure your ballot counts by returning it as early as possible and following the instructions as best as you can.
